Step 2: You will land upon home page of the site. Click **My Home** from the panel and fill your details as shown in the screenshot.

The screenshot shows a user profile page for 'rahul demo'. At the top, there is a circular profile picture with the initials 'rd' and the name 'rahul demo'. Below this, there are links: 'Dashboard / Preferences / User account / Edit profile'. The main section is titled 'General' and contains four fields: 'First name', 'Surname', 'Email address', and 'Email display'. The 'First name' and 'Surname' fields have red error messages: '- Missing given name' and '- Missing surname' respectively. The 'Email address' field has a red error message: '- Required'. The 'Email display' field has a dropdown menu with the option 'Hide my email address from non-privileged users'.

Step 3: Click on the Link given here to access the course:

<https://testprep.cloudthat.com/course/view.php?id=852>

Step 4: Put the Enrolment key (code) **"nBgdfdetsn"** in the space provided.

The screenshot shows a course enrolment page. The main heading is 'A comprehensive training on HPE's AI Solution offerings: Build, Deploy and Accelerate training (11th Oct- 27th Oct'23)'. Below this, there is a section titled 'Enrolment options'. Under 'Enrolment options', there is a link to the course: 'A comprehensive training on HPE's AI Solution offerings: Build, Deploy and Accelerate training (11th Oct- 27th Oct'23)'. Below the link, there is a dropdown menu with the option 'Build, Deploy and Accelerate training (11th Oct- 27th Oct'23)'. Below the dropdown, there is a field for 'Enrolment key' and a button labeled 'Enrol me'.

Step 5: You will be able to see the assessments.

Notes:

- Please ensure there is no blank space while pasting the enrolment key.
- If you logout and the login again, you will not be able to resume from the same question.
